“ Dear Greta, Geneva and I have fond memories of Allan. As you know we were involved when he got saved, when he got baptized and we spent time with his mother and his daughter. I am sorry that we could not come to the funeral. We learned of his passing on Sunday and we had been involved with a tragic death of my sister whose funeral had been Saturday. We would send you a card but do not know your current address but cards get lost and perhaps this message will be on the web site for a while. We trust that you are able to fill the void that he will leave behind. He was a real trophy of God's grace. May God comfort and bless you at this time.
