April 9, 2026

Allen Hilpipre, 44, of Iowa Falls, passed away Thursday, April 9, 2026 at Hansen Family Hospital. Woodley Funeral Home and Crematory of Iowa Falls is caring for Allen and his family.

Dean Allen Hilpipre was born on December 16, 1981 to Dean and Marlys (Bailey) Hilpipre. Allen attended Iowa Falls-Alden schools. He worked at Rinkers aka Forterra in Iowa Falls and also worked part-time for Dairy Queen in Iowa Falls, Iowa.

On July 22, 2017 Allen was united in marriage to Natalie Rowe at the Assembly Park in Iowa Falls, Iowa.

Allen enjoyed the humble life over luxury, and in his younger days he was a pretty good bowler. His greatest joy was spending time together as a family, especially with his boys, Walter and Corbin. Even when funds were tight his creativity made every day an adventure, proving that fishing the local pond or watching WWF together on TV meant more than any expensive outing. But if the family wanted something he would find a way to get it. Allen was a friend to many and the great conversations, just made you feel better about yourself when you were around him. He would try to make everyone happy even when he was having a bad day.

Allen Hilpipre is survived by his wife, Natalie Lynn Hilpipre; children, Walter

Ray and Corbin Dean Hilpipre; parents, Dean and Marlys Hilpipre of Webster City, Iowa; sisters, Tricia (Albert) Caldwell of North Carolina, Erin (Mike) Franklin of Georgia; brother, Dale (Lydia) Hilpipre and several nieces, nephews, cousins, aunts and uncles. He was preceded in death by his maternal and paternal grandparents.
