“ Andra , is one of few who bested witness to my youth. The times on the river... Hanging out with Bart, Dave, Mike, Steve, Cindy, Sara and many others friends. I read once that you really did twice, once when you for and again when your name is uttered for the last time. It is then you are truly forgotten. Let us never forget those who have gone before us.

“ Oh my sweet Andra, where do I begin? So many happy & treasured memories we shared. A girlfriend for all times. Walking up Railroad Street on a snowy evening, we sang “You’ve Got to Have Friends” laughing & falling into the deep snow!! I’ll miss you and may you rest easy now & enjoy your new journey. Love ya, Annie ❤️

“ *While time takes a toll on us as we have aged over the decades...it has failed to erase the memories, the feelings and the love we shared as friends. Rest easy my dear friend. Bart*
