

Baby Cora Lippmann

August 5, 2020

Cora was born into heaven on August 5th, 2020. She is survived by her parents, John and Erika Lippmann; her big brother, Calvin and many grandparents, aunts and uncles. Our little angel was so loved already and will never be forgotten.

An angel wrote in the book of life my baby's date of birth, then whispered as she closed the book, "too beautiful for Earth."

Woodley Funeral Home and Cremation Services of Iowa Falls assisted the family with cremation care.
