“ Jean was my grand-daughters baby sitter, Brooke always loved going to Jeans. It takes a special person to have a day-care in their home. She so deserves her crown with the LORD.

“ So sorry to hear of Jean's passing. She was a babysitter for us occasionally when the boys were little. Always remember her walking by our house on a walk with a big group of kids that she was watching. Don't know how she did it! She was definitely special!! Sympathy and prayers to Jean's family.
