“You are my brother from another mother. You have always been such a huge part of my life that I'm not sure what is going to fill the hole that you are leaving behind. Much love.

“ You were a great uncle. And I will never forget the day we spent almost a whole day to make homemade noodles. You showed me how to make a bowl out of the ingredients I was baking with instead of a actual bowl. You were one of few that told me I could do anything I wanted to. When I was trying to draw, you always tried to teach me how to do it better. I love you and I'm sorry I didnt tell you that last time I saw you.

“ Carl was a great bother (carl always called me siser so he was my bother). You were a very talented artist. A wonder human being. Always there for me or anyone who needed you. You served your country. You would of given your shirt off your back if someone needed. DaZy and I are at a complete loss. You will be dearly missed forever!!!
