“ Mom not a day goes by that I don't think of you. I truly miss you so much words can't describe how much youre missing I know you would love your granddaughters and grandson that you never got to meet. I learned so much from you gave me my passion to sing. Although I could never sing as good as you did. I hope heaven has been great to you and that youre with your dad and all past family members until I get to be with you again. Ahmed Alibrahimy and family

“ As high school students, we shared a mutual love of NKOTB. I have fond memories of visiting Christie and Valerie at their house in Klemme while we discussed how much we loved Donnie, Jordan, and Jon. Christie was a good, decent, loyal, and kind soul. My most sincere condolences to her entire family. God bless you all.

“ Christie will be dearly missed. She had a heart of gold, a caring spirit, and an angelic voice. I remember when she was growing up how she would pout for just a brief moment and then her cute little dimples would give way to a bright smile. Her kids were her life and I know she will be with them always guiding them with a caring hand. Will miss you sweetie!

“ She was such a sweet soul and a caring friend. She was always asking me how I was everytime I had went through the drivethru at Dairy Queen, especially when I was going through a very dark time recently, she was always asking if I was okay and had always suggested hanging out. She had also mentioned doing some kareoke one of these days because she knew I loved to sing... I was going to suggest it when I came back from vacation... She was truly a wonderful person and I was fortunate to call her my friend. I love you Christie, rest easy my friend. My thoughts and prayers go out to her family. ❤️❤️
