“ Have so many fond memories of times we were able to share.....especially our games of 500 when you were visiting here in Arizona, meeting up in Clear Lake or the Boondocks on our trips back to MN through Iowa, anxiously awaiting your trips back to AZ during the winter and on and on. Will never forget how we chanced to meet at St Peter Lutheran Church in Mesa and then the bonus! To find out that we were distantly related!! That was just the "frosting on the cake" and who could have guessed that? I call that the little "smiles" from the God who watches over us. May that same God continue to care for you in this time of grief and sorrow. We look forward to a wonderful Reunion in Heaven someday.
