“ First off I want you to know that you have our thoughts and prayers to you Jan and your entire family. I have to share this memory of Dennis when we were so young and innocent. While visiting Dale, Edith and family Dennis and I went outside to play only to find a chicken in the doghouse. He came up with the idea to get a hoe to scare the chicken. He swung the hoe and my forehead began to bleed. I ran inside bleeding and had to try and explain what happened. I knew right then he had a career as a ball player. Always looked forward to going to Iowa to stay at farm. Dennis will be missed not only by you and your family but many others as well he was a great cousin and friend.
