“ *Doris Miller was my piano and organ teacher for about seven years. She encouraged me to partake of the music "festivals" at NIACC and of the many recitals that she gave at the church in Geneva. She was a great teacher.*

“ Doris was such a soft spoken, nice little lady. I remember her walking and riding her bike when my kids were young. I don't she was probably ever mad, or at least she never let anyone know it. RIP Doris, will always remember the tiny little lady in the BIG house 2 houses down from mine. Thoughts and Prayers to the family.
