“ A long and well lived life Great Aunt Dorothy. I still have so many fun memories of coming to visit you and Emery in Blairsburg. Part of my Norwegian upbringing was hearing you say “ooftamega” when I was little, and I always loved checking out your salon and Beautician supplies. Loved picking carrots with Emery and joking around at the table while I was laughingly conned into looking out the window while he stole my dessert. Love you and may you and yours find peace.
