“ Elaine was one of Hampton's biggest and best cheerleader. The postive effect of her volunterism was felt citywide. I had the pleasure of serving on several community committes with her. No one worked harder. Also, her superior customer service to Hampton State Bank customer spoke to her high work ethic.

Godspeed Elaine

“ Living so far away in Oregon we didn't see you much, but I always loved coming to the farm to see Lightning. (And you too). I was young enough to love horses and Lightning had her colt Dixie. Always loved our visits and also when you and Shirley came to Oregon to visit. You will be missed by all who loved you.

“ Elaine my dear cousin, what wonderful times we had together while I lived in Iowa. You made a connection with me I will never forget. Being a double cousin really helped at those times we had to go to the family reunions tons of fun just doing what cousins do. Condolence to your family. Hope you will see my mom and dad.
