“ My sympathy to all of Emma's family. Emma and I worked in the office of Community Nursing Home for over ten years. She was wonderful to work with! We used to call each other on the phone before she and Ray went into the nursing home in Greene. When she came to the nursing home in Clarksville I went to visit her several times. She seemed to connect with me when I used to talk about how we used to work together. I will cherish the picture that was taken when I went to the birthday party at the Home for her 96th birthday. I shared it on Facebook yesterday. I am so sorry that I will not be able to attend her funeral. I am leaving tomorrow to go to my daughter in Carroll and then to Kansas City to my grandson. I will be sending a card and I would like to have a copy of her funeral service bulletin and obituary. Again, my sympathy, to all of you. Ida Litterer, 320 15th Street, NW, Waverly, IA 50677.
