“ I'm so sorry for your loss of Eugene. He was such a sweet and wonderful man. I remember him coming over to my house to dig up volunteer walnut trees to take home to plant. And his love of plants and gardening. He once told me that he never smoked, so he spent his "smoking money" on flowers and plants. LOL ! I have one of his big wooden eagles that I will always treasure. My good friend and classmate, Randy, was very fortunate to have Eugene and Deloris as his parents.
