“ George was one of a kind. So many memories, but they are more nebulous since they were from when I was 4-18 years old. He would give me such a hard time about being so much taller than him.. and putting his nose in my armpit when I'd stand next to him. He knew how to make a shy kid blush. :) He opened his house to me whenever I wanted. We had an open invitation to use the family computer for games even if the kids weren't at home. He always wore a smile and made you feel like one of the family. I'm sure I'm blotting out the very few times he had to reprimand us kids. :) He will be missed. <3

“ George & Mary were our backyard neighbors for many years. He always had a smile and a hug wherever we saw him. He will brighten up heaven for sure! ❤️

“ One of my favorite people. Loved to see he and Mary Ann come out to the moose and visit with me. Way back when he was still working and I worked at Campbell Supply we talked on the phone every business day, as he would call in his order and would get it over to Tom or Lenard. When I became a member out at the moose he gave me such a hard time of all those phone call we had. He will be greatly missed. Love & prayer to the family.

“ *George, Bill, Ed, all taught me how to walk. My mom and dad were Hank and Donna Harms. Mom and us 5 kids spent alot of time at their home in Bradford. George also always told me as a child that he was going to marry me when I grew up. I remember going to him and Maryanns wedding. I remember crying through the whole wedding. I would have been 11 by then. Him and his brothers were the greatest. Thanks family for the memories. Frances Harms Maes*

“ George will be missed very much by the ones that knew him. George loved to pull pranks and joke around with the people that he knew real well. Never ever saw George where he didn't have some kind of joke or prank for me. You could never be down in the dumbs when George was around, and if you were it wasn't for long as he would get you laughing if not crying from laughing so hard. Our prayers and thoughts go out to the family. We've known the family for years.

George you will be MISSED by our family. We've know the Dougan family for several years while growing up in the same town.

Sincerely,
Larry and Marilyn Willms
