“ I just found out of Georgette's passing. I played basketball with her. I remember the first year she switched from cheerleading to basketball, and she dribbled the ball many times when girls' rules were only two dribbles. She was used to playing with her brothers. She soon became the star and was always high scorer. I also worked with her at Lutheran Mutual. Fond memories of a wonderful person. My sympathy to you all. Mary Fuls-Grant from class of 1958

“ We will always remember sweet Georgette welcoming my Mom every mealtime to their table by saying, “Here’s your seat. You sit here, this is your spot, right here by me”. What a blessing to have known Georgette and her devoted and loving son and daughter-in-law and family as they watched over and loved Georgette right up to her Homegoing.

“ We will always remember Georgette’s sweet smile welcoming my mom to eat with her, saying “this is your spot, you sit right here by me, this is where you belong”. Such a devoted and sweet family that took such good care of their beloved mother/grandmother, and also took the time to listen to my very talkative Mom, B’Lou. Grateful to have known Georgette and her wonderful people! It’s so hard to say goodbye, but we know that all of Heaven rejoices to have Georgette Home....
