As a kid I have great memories of aunt Helen when visiting my grandparents farm. Helen was one of nine kids who worked hard making the life of German parents successful. She was a sweetheart and loved her family. Ask anyone who ate at the Bradford cafe, she ran with her husband Harold for years, about her pies. BEST EVER!!!! There was always beautiful flowers and animals at her farm north of Bradford-something she learned from growing up on the farm. I will miss you-Rest in peace.
