“ Many years ago we would be delivering Sunday papers in the Roadrunner with Jim at the wheel and us girls helping out!! He had an infectious laugh and a devil take care attitude!! Lots of fun when Jim was around the group!! Scraped many muskrats in the fur shed while we visited on weekends. I am sorry to see his life cut short. By the looks of the picture, Jim did not change that much over the years. My thoughts are with the entire Hudspith family at this time. Remember all the good times!!! Jill Lundquist Olson

“ James, Justin & Jonathan & families - So very sorry for your loss. The neighborhood will not be the same without Jim out and about. He truly will be missed by our family for all the questions, work and advise that he has given us over the years. He truly was a very intelligent man in many areas of electrical, construction, mechanical, etc. The list just goes on and on. May all the memories of your dad stay close within your heart. Healing prayers in the coming days to all of you. God Bless - Jeff and Sandy Hoversten and families.

I unfortunately only met Jim in his final months of his life. I got the honor to get to know him as a resident of Heritage Care Center. What a joy he was. Always interesting to visit with and always a tale to tell. Always talked highly of his children. They were definately loved by him. It sounded to me like he truly enjoyed life. Just one of those good ole boys. Denise Duncan
