“ Janet was my supervisor at my very first job - Riverside Book and Bible. She was a wonderful co-worker and friend. I have many great memories of going out for drinks and conversation after work. We stayed in touch over the years and I always enjoyed receiving a Christmas card from her every year. I am so glad that I got the chance to see her recently to share laughter and hugs. I am so saddened to hear of her passing - she will greatly missed.

Janet and I worked together at Riverside Book & Bible back in the early 70's. We were good friends for several years. Lost contact over the years but only have fond memories. So sad to hear of her death.

Janie, we didn't know you well...we always hoped you would come up to Michigan with Tom sometime for a visit like Jerry did. Sadly it wasn't to be.

Your family loved you so...

Go fly with the angels sweet lady...Godspeed.
