“ I only interacted with Julia during my occasional trips to Iowa Falls, but she was always kind, welcoming, and a pleasure to talk to. Measa, Julia's granddaughter and my wife, has frequently said that Julia had a profound effect on her growing up, teaching her to be a good person and making her into the strong, talented individual that she is today. I know that Julia's influence, and the person she was, will continue to be felt through the many family, friends, and acquaintances that she has left an impression on throughout her life. The impact of her kindness, wisdom, and example of character have left the world a better place. Rest in peace, Julia.

“ I had the privilege of calling Julia every month through our Circle of Care program at First United Methodist. I never knew her before I was assigned her name but we became fast friends. I so enjoyed our phone visits.

Rest In Peace Julia. Someday we can take up where we left off.
You are a very special person. 🧡🙏🌹📞☎️
