Oh my gosh! So sorry to hear this. Julie and I were pretty close before I moved away from Hampton. She always had time for friends and family. She will be missed very much. Prayers and thoughts sent to all her family at this hard time. Rest in peace my friend.

“ *I remember needing someone to watch my kiddos so I could work. She was right there whenever I needed her and she took such good care of them. Even after I no longer needed her help she would always check up on us and see how we were doing. I will miss her dearly.*
