“ Sorry this is so late. I was out of the country when I heard the news. Kevin worked for me for many years at Kraft. I have fond memories of him. Besides a great worker, he was just an over all great person. He was way to young to pass so soon. I've missed him since I moved year's ago. I'm sure he will be missed by many of his friends and of course his family.

With Belated Sympathy,

John Michel
