“ *To The family of Linda Hamilton, Margaret and I express our deepest sympathy to the family of Linda as I attended and graduated from Garner Hayfield High School at the same time that Linda did. My late sister Betty (Torkelson) Hollis also graduated with her class and they both attended AIB in Des Moines at the same time. We lost my sister Betty in October of 2022 so we know what the loss of family is. While Margaret and I were in the Greenhouse and Floral business we also had Linda's father Fred Weiss work for us in the spring when planting and getting ready for the upcoming season. So I knew the family well as we did most of the people that lived in Garner. Please know you are in our thoughts and prayers as you deal with your loss. May you treasure the many memories that you have been left with. God's Love & Peace Warren & Margaret Torkelson*

One of my favorite high school classmates that shared many classes together, sat close, and got in trouble talking too much sometimes. Many fond memories of a very sweet girl. Time passes so quickly and we are all going to miss her immensely. RIP Linda.
