I just became aware of the passing of Lucy. The Steere family was neighbors and friends of the Van Horn's many many years ago. We stopped to talk with her and she told us many memories of my Grandparents and their children.. We will miss her Christmas letters this year. She was a busy lady who enjoyed life and her family. My grandparent (Virginia and Cecil Harri) of Greene were bid horse people and great friends with Lucy. They use to take use out to her farm and Lucy would let me get her eggs out of the chicken house. I was scared at first but Lucy showed me how to get up under the chicken and get the eggs very patiently. My memories of her were good ones!
