“ *He was a men that had a hard life in younger years his family used to are church of christ in Hampton iowa and he was be guy I lost track of his family after his step dad came in family I I was the one who road to church with them sometime when my forsk were sick his step dad was smoker but nice and kind. Lynn tried to make on his on but he fell on hard times . He live with my husband Marcus Graves at are house for about 6 months then I told he had to leave we keep in contact with he when I would see Lynn or Joel in the stores but that have say . I really didn't know every well it so sad but he had hard life I think he was baptism in the church up Hampton . May God give you canfeat as you give for one you lost my prayers are with you and your family*
