“ *When we were little and we'd spend summer days at GG's house, they would take us to the pool from noon till about 5. We'd stop at McDonald's or DQ, get a snack than we'd get home and get ready for bed. We slept hard as a rock. I'll miss selling sweet corn with GG, and gardening with him. It's something I'll try and carry on in his memory. Rest easy and happy with grandma ❤️*
