“ *Marlene was one of the kindest women I knew as a kid growing up in Iowa Falls (and as an adult, she remains quite special in my memory).*

I had not seen Marlene in decades, and now live in Western Colorado...I was saddened to hear of her leaving us. Her smile and kind words to me are a part of my imprinting as a youth (my dad worked at the store, so I pestered her frequently.) I can still hear her voice and see her beautiful face. My deepest condolences to the family.
