“ *I'm so sorry to hear the news of Mike's passing. I remember Mike and his 69 Plymouth Roadrunner, back in the day. What a nice car! Every young boys dream car! Had not seen Mike for many years but always seemed so quiet yet nice to talk to. He and my late brother Kevin were friends during their high school years as well! Wishing the family much encouragement through these times and May God Truly lift you all during these times!*
