“ Miss Morey was probably the best teacher I ever had. I will always be thankful that I was lucky enough to be one of her students.

“ Miss Morey significantly affected my life in seventh grade when she recognized that I was struggling with Algebra and tutored me after school until I understood the concepts. She was kind and generous to a struggling student. I would not be the man I am today if it were not for this godly woman. I am so glad she was my teacher from 6th - 8th grades. David Koenigsberg.

“ Miss Morey was a significant influence for us students during days of major changes in life—not just educationally, but in values also. I was intimidated by her, especially if she sat right behind me in church. She is now really home! Dan Schoepf

Miss Morey was one of my favorite teachers. I think of her often and the influence she had on me. I will never forget the "back to Jesus" lecture she gave me in 6th grade. I'm sure I had it coming! 😊
