“ Flip was my uncle. I am the oldest niece Amanda. He was a great friend and uncle he was always around. He was always willing to watch us kids if my parents had to leave the house. He would play catch with us and have Jan sessions with us kids blaring music in the summer time outside. He always made sure we were happy and that his sister and brother in law were doing ok and if his sister aka my mother needed any help with money or anything he was always willing to help us out. It's been really hard since he has passed. It's been very tough on me and my 3 siblings and really tough on my mother ,father and his mom my grandmother. Thank you all for the support.
