

Richard Caddy

May 14, 1965 - August 12, 2024

Richard Brian Caddy was born on May 14, 1965 to Richard and June Rosemarie (Morrissey) Caddy in Glendall Heights, Illinois. Richard graduated from Glenbard North High School class of 1983.

Rich was first and foremost a loving and devoted father to his children. He took great joy in coaching many sports teams through the years, but none so much as football. Coaching football brought him a community of friendships he would carry throughout his life.

He was a passionate deer hunter as you well know if you've ever driven past a field at dusk with him and feared for your safety just a bit as he watched the tree line more than the road.

Over the past decade Rich lived in many states following his work as an electrical superintendent to which he was dedicated. His time in Washington and Nebraska held extra special places in his heart. He made many dear friends in both places who meant the world to him. To those folks he loved you too.

Rich was a larger- than-life personality with a laugh that could shake the whole room. He will be deeply missed.

Those left to cherish his memory are his former wife, Susan Caddy and his children, Hayley Caddy, Michael Caddy and Matthew Hartenburg. He is also survived by his aunt, Jeanne (Caddy) Hawekotte; cousin, Freddy Hawekotte; sister, Karen (Tony) Detente; niece, Sammi Blakely; nephew, Anthony Detente. He was preceded in death by his father, Richard Gordon Caddy; step-mother, Carol Caddy and his mother, June Rosemarie Caddy.

“ Rich, you will be greatly missed. I will always remember you for cheering up the room every time you walked in. I always enjoyed our conversations about Chicago sports during the 90s with Sammy Sosa and Michael Jordan. I learned a lot from you. My you rest in peace, my friend.

“ It was an honor to get to know you Omaha. You were always honest, trustworthy, humorous and a great guy to be around. RIP Rich! I will think of you when I see a deer out in the field. Condolences to the family.

“ Rich was one of my favorites. He helped me through a difficult time in my life and welcomed me into the PNB family. From becoming dog parents to sibling dogs, backyard BBQs to therapy sessions in the “Rich Caddy Memorial Conference Room” aka the closet, I’ll always appreciate the lasting impression he made on my life. His laughter could fill an entire room and he always loved a challenge. Our last exchange reminisced on the good ol days and focused on how Bellini and Boogs were doing. His life lessons are still guiding me today and I will miss him dearly.
