“ Rick was my classmate from third grade at Julie O'Neil though high school. During recess in 5th grade,he gave me his place in line at the big slide,which was rarely done,because an older bully was maKing fun of me. Even at that young age,and his small stature,Rick stood his ground (and mine) knowing we would probobly both be teased. He has always been a good guy and will be surely missed. My condolences to his family. You're in my thoughts and prayers ,rest and peace ,Rick ,and thank you

*I miss you so much and can hardly stand the pain but we had lots of good times and the kids miss you so much and so do the grandkids. Things will never be the same since you left us behind but you will always be in our hearts and thoughts forever.I cry all the time and yell for you but you dont answer. I know in time i will be able to see past my tears but until then we love you and miss you so much. See you again someday in heaven!!!! your Angel and kids and grandkids*
