“ Ron was a great dad. A great friend to many and a wonderful man. He treated me like a son including me on fishing trips to Canada. So many fond memories that I am very thankful for. I hope heaven has some great fishing there for you Ron.

“ Ron and his family were great neighbors, even if the boys music was a tad loud and rocky, Lol can't complain about the effort they gave it. I remember when he climbed that tall ladder to hand paint his house and how nice it looked when he was through. He also delivered mail for the PO. He had a great smile and a gentle laugh. We really missed them when they moved across town. My memories are all good ones regarding this family. He was a hard worker and now is taking a vacation to get ready for the next job for God.
