“ *Sandy was a very passionate, loving person. She loved Jesus and her kids with her whole heart. To be absent from the body is to be present with the Lord. I am sure her heart is full in the presence of her Savior. God comfort her family in their grief.*

“ *I am so sorry for the loss of your mother, grandmother, and great grandmother. Sandy worked as a fill in staff person, for many years at CIRSI. She impacted many people's lives over those years - both those that she cared for and those that she worked along side. Her faith was evident, and now she rests easy in the arms of her Savior. My thoughts and prayers are with her and her family. Robin England*

“ Sometime we have a friend & sense our souls are closely connected. This is how Sandy & I felt when, as penfriends, we starting writing 65 years ago. Finally we were able to meet when I visited from Australia in 2002. Sandy picked me up from the airport in her little yellow Ford car with automatic seat belts. I have never found another car that had this feature.

We had a wonderful time. Sandy taking me to the Precious Moments House, visiting the Pumpkin House with Isaac, Deb & her family. We had a BBQ where I met most of her family. Such precious memories. We knew wherever we were in our lives we would always be friends.

My heart is breaking but, one day my dearest, special friend we will meet again so save a place for me up there with the angels and we will continue our special friendship.

Love your forever friend

Jacqui

“ I picked up a writing tablet to make some notes. The wind lifted up the top page revealing the attached letter mom wrote on Tuesday.

*A few excerpts from Mom's personal Evangelism folder I believe she'd want shared:*

*"Spiritual work of grounding a new believer in the faith. Col 1:28,29. Acts 14:21-22".*

*"Mass produce disciples. Find a few. Train few. They find others".*

*"Multiplier- disciple who's training her spiritual children to reproduce themselves".*

*"Have good home-life. Enthusiasm/ Remember What they told you".*

*"I have also discovered that I have gifts and talents valuable to God's family-- that my past and differences are needed in certain situations. I am learning to work through differences and in unity; my church family is loving and accepting of me. Amen".*

*"Whoever leads will have to Earn the Right to Lead". My momma earned the right to lead.*

*Not only my confidante but my sister in Christ and my friend... warming me with your presence, trusting me with your secrets, remembering me with your prayers. You've exceeded far beyond "I tried". Your ministry will live on through all of us. Kids, grandkids, great grandchildren and all those you met along your journey here. 'Well done good and faithful servant. Well done'.*

*You are treasured, loved, remembered always...*
