Your at peace now. No more scum ripping you off, Harrasment by we know who. A friend snice 97. Glad we spent alot of time together these last 8 months. You did not go out alone. You weathered many things by one's You held as friends only to be let down . You were delt a tuff hand but you enjoyed also things you didnt get to do earlier and I was glad for you. You made me laugh and our talks many. Im listening with your speakers your sister was kind of enough to make it happen . Thanks for what you taught me and how you let things go. I gonna miss you and was proud to be able to get to know your family better. It dont seem real.
