“ Love you cuz! Every phone call or in person end of conversation, were these words.
Sheila, I will never forget your caring, your love, your kindness. You were there for me when my awesome stepmom was dieing and I am forever grateful you were there to help us and you were in the room with me and my son as my “mom” went to be with Jesus. Now, you and your aunts, mom, and uncles are together in Heaven. No matter if you were not feeling the best, you could always laugh and smile. And what a hearty laugh you had. I will miss you so much but I will see you again!
Until then, I love you cuz.
Love, hugs and prayers for your family.
Peggy ❤️

“ *My mother, I have so many good memories with this women.. She has always been there for me, no matter what the situation. I would call and she was right there. She listened while I vent, thru difficult times, and always calling to check on me when I was ill.. She wasn't just my mother, but my friend to. She was fun to laugh with, and to spend the precious time we shared growing up.. From helping me get ready for my wedding, to being there with me with my 1st born child, and not letting anything or anyone stand in the way to be there when I had my beautiful daughter. I love you mom, and I no that u will be my guardian angle thru the rest of my life.. Again fly with the Angels mom.. Love your daughter "Stacy"*
