“ *He will be dearly missed! What an amazing life he had such wonderful supportive loving and caring family he always had around him. He was so kind hearted and always treated me like family. I remember being in a bind and Steve would be the first one to drop everything and be there to help me no questions asked didn't matter what I needed help with he would always be there. I remember listening to his amazing stories as we would clean apartment complexes. I will miss you Steve! Rest in peace. I love you. Thank you for welcoming me in your family and treating me like another one of your daughters.*

“ We are just heartbroken to hear about Steve. He was one of my favorite cousins! I'll never forget playing Annie Annie over and running smack dab into him as we ran around the garage. I was flattened! And boy did we laugh! He will be so missed! You are all in our thoughts and prayers and we are so sorry. Gone too soon! 💕💕 you Steve!
