“ *I worked with Sue at OCCU for 8 years - she was such a sweetheart and always so upbeat and positive - which is why I loved seeing her!! We didn't work directly together but had many interactions. My heartfelt condolences to her family and close friends who knew her best. She left her smile and positive spirit with those she interacted with - too many to count I'm sure!! May you find comfort in knowing the wonderful legacy she left and that she touched so many lives. Rest in peace Sue!!*

“ I had a locker under Sue while at Saddleback. Always enjoyed talking with her while we were getting our books or she was waiting for David to come to the locker. Gods blessings to her family at this time.

“ When Sue and I would start getting bored we would always come up something, either stacking empty beer cans on our friends car or enjoying going to the beach with all of our Saddleback Highschool friends. ❤️❤️🍀🍀

“ So many wonderful memories of Sue and Shawna and Larry. How we use to play board and card games and being Brownie (Girl Scout) moms and the things we did. Field trips, dancing, and all the other wacky things we did. Good memories.
