“ *I was fortunate to work with Terry in Thomasville, AL. I have had many bosses but he was the most amazing. Not a day went by that I didn't feel like I had someone in my corner, a friend when I needed him to be there. I had a major health issue occur while at work and Terry asked if I was better everyday. I saw him most days more than my own family. The day he died, the world not only lost a man with a big heart. We all lost a great friend. I will never forget your kindness or how you made everyone who met you feel that they belonged! RIP Terry!*

“ Terry and I became friends at Ellsworth Community College. We graduated class of 1997. 24 years wonderful memories. The photos I have included were taken in May of 2019, Lake Michigan. Terry caught the biggest fish and I am glad he did. Terry was my best friend, and I will make sure his stories live on....
