“ One of my favorite stories (among many) was when Warren and I went on what must have been one of the original Lakewood Pub Crawls that ended up at the Country Club. When it was time to go all I remember was cutting across what at that time was the 10th hole/airplane runway in Warren's Buick and both of us laughing all the way.

“ He was such a nice man and I have fond memories of him up at your cabin in Wis. He taught me to water ski but I do recall running into the pier when I let go of the rope.
I am so sorry for your loss. I am glad he was able to lead such a long life in fairly good health and what a nice picture of him that is..
My thoughts go out to you and Marcia and your families.
