“ *My sympathies to Bill's family and friends. I remember him well from my Hollandale childhood. We were involved in 4-H activities and school activities on many occasions, and I remember how kind he was and always with that ready smile.*

“ *I was heartbroken to hear of Bill's passing. Bill was a wonderful man. I enjoyed working with him until his retirement. We always talked about his kids and grandkids and I loved hearing all his stories. After his retirement he'd stop in and share pictures of the grandkids and his travels. I'm so happy that you and Bill had all those wonderful journeys together Sandy!!  
Much love, Amy Brandstetter*
